

Mastering the Art of Instrument Navigation

The IMC Club through its nationwide chapters provides organized “hangar flying” focused on building proficiency in instrument flying. Believing that safety and proficiency are developed through education and experience. Monthly meetings use real world scenarios to engage our members and allow them to share and build their experience. At this inaugural meeting we will introduce attendees to Scenario Based Learning. You do not have to be instrument rated to attend. Click on the link below to register TODAY!

Directions: Meeting will take place in the 3rd Floor Conference Room. Follow the signs once in the building.
